

# Small Group Discussion Questions

## **1. Communion as Challenge and Task**

Introduce yourself. Share one thing you value about your home parish.

How do you experience community in the church?

## **2. Becoming a listening Church**

Do you experience church as a place of listening? Who listens to you?

If discipleship involves a call to listen, who are the people or groups that you are called listen to more attentively that you are not hearing now?

## **3. Moving forward on the journey together**

What is one thing you can do to help welcome the rest of the family *into* your parish?

What is one thing you can do to *reach out* to build communion with the rest of the family of parishes?

Do you have thoughts about ways we might work together to build community across the parishes in our family?
